### **Toll congratulates MD Paul Little on Order of Australia award**

Toll Group, the Asian region's leading provider of integrated logistics solutions congratulates Managing Director Paul Little on his appointment as an Officer of the Order of Australia.

Toll Chairman Ray Horsburgh welcomed the appointment. "Paul Little is an icon of the logistics industry right across the Asia Pacific. His achievements as the Managing Director of Toll since 1986 are only matched by his down to earth attitude and focus on community and individual development.

"Under his leadership Toll has grown into a global company with more 35,000 people in 55 countries. It is a great Australian success story and the career of Paul Little is an inspiration to all of us. He is the champion of a model of integrated logistics that global customers are increasingly demanding of their suppliers.

"In addition to growing a world class company, Paul has been behind a push to give people a second chance under the Second Step program which provides mentoring support and a career for rehabilitated prisoners and drug users.

"Paul is a genuine good bloke, a giant of the business world and a strong community member. All of us at Toll congratulate him on his well-deserved appointment," Mr Horsburgh concluded.
